Bobbie Jean Grady

Dear Bobbie Jean,

Words could never express what knowing you has meant to me. You are one of the best friends any girl could hope to have. The last twelve years hold memories of many things that I will never forget. I know that we <sup>have</sup> had ~~had~~ our share of bad luck, but everything does not always go wrong. Just once in a while everything seems to be going fine, but then something happens. It has been said that everything that happens is for the best, sometime I wonder, don't you? No matter what happens from now on I am sure that it can be said that we have had our share of fun during these years. I am sure after this year we will have much more fun at A.L.C.!

Remember all those trips that the "Old Maid's Club" took! We really had some good times. But the class parties we have attended holds greater memories!! Remember the night we saw one of "Shakespeare's" plays. That was really one night to remember! I could go on all day listing things we have done but space does not permit.

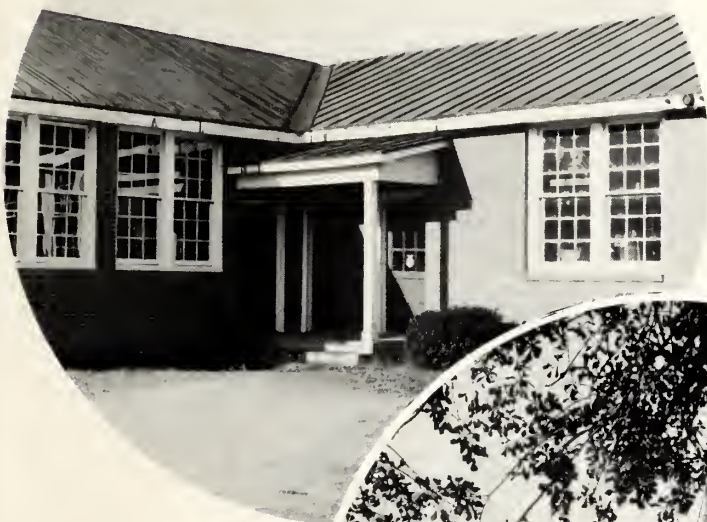

I just want to say "Thank You" for being so patient and understanding. You have listened to my problems and helped me solve them. I also knew I could tell you anything and no one else would ever know.

No matter how far apart our paths of life may lead, I am sure there will always be a place in my heart for such a "dear friend" as you are. Continue to be your own sweet self and I am sure the rewards of life will be many! Love, Baylana. <sup>U.S. look at all my mistakes and learn not to try to listen to some one else talk & write at the same time</sup>  
it - Love, Bobbie Jean; Best wishes and good luck all ways Baylana

## *Second Year Typing Class*

In this, we the 1957, Grannawayne staff, have enjoyed gathering the materials which we hope will portray pleasant memories to each of you.

We feel deeply indebted to the second year typing class and Mrs. Lowdermilk for their excellent work on our ads.

Never will we forget Mr. Bender's patience and interest in helping us to get the pictures which will always mean so much to us.

To our other teachers and fellow-students we offer a sincere thank you for your co-operation. Our annual would have been an impossibility without the help of each of you.

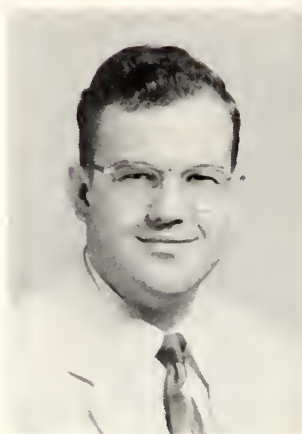

## *In Appreciation*

She has been to us an understanding teacher, a sympathetic friend, and an unselfish helper. Her frank expression, undying patience and ready wit have challenged us all. Her willingness to serve the entire school will be remembered for many years to come. In appreciation of these traits and of the never-ending tasks she performs, we dedicate this the 1957 Grannawayne to Mrs. Helen Lowdermilk.

# *Class History*

As we, the graduating class of 1957, walk down the aisle together for the last time, we stop and look back to the day in September, 1953, when we began high school. The fifty-three excited and inexperienced members of our class were met by Mrs. Eleanor Owens and Mr. Eugene Driver, our homeroom teachers. During the year, Mr. Driver left us, and Mr. Walter Taylor came to take his place. We finally became accustomed to changing classes, and other high school routines. Our class party was held at Goldpark Lake, after which some of us went to the movies.

We returned to high school as Sophomores, quite reduced in number, but to fill some of the vacant seats we gained Mary Lou Weaver, Robert Snead, and Elizabeth Thompson. Mrs. Lenore Cox and Miss Evelyn Davis were our homeroom teachers. Our class party was again held at Goldpark Lake, where we enjoyed swimming and dancing, before eating hot-dogs and taking in a movie.

We all felt much older and wiser as we took our places in the Junior homeroom. We now realized that we were halfway through high school, and that the Senior year and graduation were not far away. We were guided through our Junior year by Miss Elizabeth Lewis, with whom we all enjoyed working.

We were proud to present our Junior play, "Aunt Cathie's Cat," which was very successful. Another high-light of our Junior year was the Junior-Senior Banquet, which was followed by a dance. Both of these events are ones that we shall long remember.

Goldpark Lake, evidently a favorite spot for our class, was again the scene of our class party.

As we returned to school in September, we proudly took our seats in the Senior homeroom. We were very fortunate to have as our sponsor Mrs. Doris Jones. We were at last nearing the goal for which we had been working and waiting during the three preceding years of high school.

Wedding bells rang this year for Betty Jean McCullen, who came back to our class, and Gladys Hinson. We lost another classmate, Kenneth Pennington and during the year Steve Herring left. In September to add to our group, we were happy to welcome Betty Warrick Best and Zelma Casey.

During our first class meeting, we elected our class officers. They were President; Robert Jackson, Vice-President; Lydia Spain, Secretary; Lynette Jackson, Treasurer; Kenneth Bryan, Reporter; Elizabeth Jernigan.

Soon after school started, work was begun on the annual. We all worked hard selling ads, and helping the staff in the preparation of the annual.

We have many pleasant memories of our Senior year, high-lighted by receiving our class rings, attending class parties and giving the Senior play. One of our brightest memories was being the guests of the Juniors at the Junior-Senior Banquet. These are all occasions that we shall never forget.

Our moments of reverie are over, and we proceed to our places to receive our diplomas. And now, with our heads high and our eyestoward the future, we take leave of Grantham High School, a place filled with the memories we long shall cherish.

# *Class Prophecy of 1956 - 1957*

"Tonight we would like to say to the editor and owner of the North Carolina Gazette, Eva Ellen Sasser, and to the world's most famous basketball player, Robert Jackson, "This is Your Life."

Our procedure tonight will be different from our usual programs in that instead of going back through the years of your lives, we are going to present to you your classmates of 1956-57; the year you finished Grantham High School, in Wayne County, and tell you what goals each has achieved in life."

First, we see R.W. Weaver who has just completed the first expedition to Mars for the Space Research Program.

Lydia Spain and Barbara Grady have taken enough time from their work at John Hopkins Hospital to come to take their places in the line of classmates.

Someone overheard you say that the driver of the taxi that brought you from your hotel looked rather familiar, and well he might, because he also was one of your classmates, Steve Jackson.

Here are two trust-worthy girls, Doris Hartley and Ann Mills. Both are working in the First National Bank in New York City.

Look! here is James Robie Cotton who is a Five-star General in the 82nd Airborne Division.

Johnnie Jernigan, having at last passed book-keeping, is playing baseball with the Yankees, Kenneth Bryan is also playing ball, but he is playing with the Dodgers.

Bobbie Jean Grady and Barbara Jean Keen have both reached their goals as successful teachers.

Henry Dunbar is head veterinarian at North Carolina State College.

Rated as the best teachers in New York State are Elizabeth Ann Jernigan and Judith Thornton.

Alice Faye Jernigan, as you know, has just won the title of Miss Universe. We are very proud of her.

W.L. Britt, after eight years, is a Captain in the Air Force.

Betty Alice Best, Betty Jean Landes, and Zelma Casey are indulged in the worthy occupation of homemaking.

Roger Barnes and Morris Summerlin, members of the United States Navy, tell us that they, in true Navy fashion, have at least one girl in every port.

At present, Jean Holland is private Secretary to Owen Grantham, president of the General Electric Plant in California. He is in town this week to see a Major League ball game.

Johnny Britt and Ennis Laws are serving their country as jet pilots in the United States Air Force.

Robert Snead is senior at the University of North Carolina. After graduation he will begin his internship at Duke Hospital in Durham, North Carolina.

The former Miss Nina Gray Thompson is the head bookkeeper for the Chrysler Corporation.

Dewey Thompson, recently named "Playboy of the Year," is the owner of the Mount Olive Pickle Company.

Shelbia Jean Keen has recently resigned from her former position to become the private secretary of newly elected Congressman James M. Weaver.

Tonight, Eva Ellen and Robert, we hope you have enjoyed seeing and being with your classmates as much as we have enjoyed meeting them and reliving with you the gay days of your high school years.

Bobbie Jean,

It has been wonderful  
knowing you. I think  
you are very sweet and  
may you have the  
best of everything the  
rest of your life.

Love,  
Mettie L. Perkins

Bobbie Jean,

It seems that for some  
reason during our high  
school years we have never  
quite made the grade of  
very close friends, I don't  
if it was because of the  
difference in our ages or  
just some else. But anyway  
we have had some mighty  
good times together. Remember  
White Lake? I believe that  
if this year would last a  
little longer we would  
make the grade I mentioned  
above.

Thanks for some wonderful times  
Becky.

Bobbie Jean,

I guess you know how much  
I enjoy being with you, going  
to the movies together and riding  
around. I certainly have enjoyed every  
minute of it. You are a very friendly  
and nice girl and I know you will  
have lots of luck and success in  
your years ahead. I wish for  
everything nice to come to you "Erland"

## Autographs

Bobbie Jean,

It's fun to know  
seniors who act as friendly  
as this senior class has,  
especially you. Continue  
this and keep that friendly  
smile always. Best of luck  
to you.

Myrtle Ann

Bobby Jane

I have truly enjoyed being  
in your class these past years.  
I will never forget the high school  
segment and our senior year  
will stand out greatly. I think  
you are a right nice person.

It is good to have honor and  
be popular, but it is greater  
to be trusted and liked. A  
good policy is to to forget and  
forgive, but be friendly to  
everyone. I wish you  
the best of luck and happiness

in your life and a  
successful career  
a friend

Henry Dumbor

Bobbie,

I have very much  
enjoyed teaching you  
this year, good luck  
in all future endeavors.

Ed. Cleaver, III

## Autographs

Bobbie Jean,

I don't suppose I could possibly tell you how much I have enjoyed being in school with you, especially the last couple of years. We have really had lots of fun together. I guess I'll always remember the "Old Maids Club," and how it caused our downfall. I never thought that things would turn out for both of us, exactly like they have. But I guess time changes things, doesn't it. I'm sure I'll always remember you as one of my very best friends. You are still the only person I know who can laugh at all your troubles, no matter what they happen to be. I hope you will be very successful in whatever you do in life. The best of luck to a wonderful person, and may all of your troubles be little ones, and most of them boys.

Always  
Hydia

Bobbie Jean,

I will never forget the fun we have had and the things we talked about in French. You have been a real friend throughout High School. I wish you the best of luck with a certain other person, if you know who I mean. I think you are a real nice girl and deserve the best. The best of luck always.

Ernie
